RISS WRIGHT

WEB/UX DESIGN STUDENT

☎ 458-877-1221   ✉ marissa.wright37@gmail.com   📍 La Grande, OR 97850

As a computer science and communications student, I am seeking an internship or entry-level position in web development/design or similar position to improve my analytical, organizational, programming, and design skills.

EDUCATION

Information Technology: Web Development Certificate
Guilford Technical Community College
Earned 2023

Interdisciplinary Studies BAS (CS/COM)
Eastern Oregon University
Present - 2026

EXPERIENCE

Marketing Internship
Summer 2024
EOWB

Responsibilities included:
-Interviewing interns at their work sites, take photos and short videos for content creation, have interns sign media release forms
-Creating content for social media promoting the internship program and other EOWB intiatives
-Learned basics of project management
-Learning basic concepts of graphic design and social media marketing

Personal Project
Fall 2023
Zero to Mastery

In my free time, I like to enhance my design and programming skills by taking online courses. Last year, I took a Zero to Mastery course on Front-End Development. This link shows the project where I created a responsive dancing robot using HTML and CSS.
